Messaggio del Presidente

Sam Scalia
Presidente, Samcon inc

C'est un honneur pour moi de participer à nouveau cette année au financement du programme des bourses d'étude de la Fondation CIBPA, à titre de Président de la Fondation. L'éducation a toujours été une valeur essentielle pour moi. Le fait d'avoir un MBA de McGill-HEC m'a grandement aidé à construire une entreprise reconnue, Samcon. Il est primordial d'aider nos jeunes à atteindre leur plein potentiel. C'est un investissement pour l'essor de notre communauté. Un immense merci aux généreux donateurs et un bravo senti aux récipiendaires des bourses de cette année. Puisse ce coup de pouce vous aider à relever les défis stimulants que la vie vous réserve. It is with great pleasure that I accepted to be President of the CIBPA Foundation.

Education has always been important to me. I hold an MBA from McGill-HEC and the knowledge acquired in the classroom has helped me build Samcon, a well-known company. We need to help our young students achieve their full potential. By doing so, we are investing in our community by making it thrive, grow and prosper. A big thank you to the generous donors and much-felt congratulations to this year's bursary recipients. May this help you conquer the exciting challenges life brings upon you.

È un onore per me partecipare ancora quest'anno al programma delle borse di studio della CIBPA, avendo oggi il ruolo di Presidente della Fondazione. L'istruzione superiore ha sempre avuto per me un ruolo essenziale. Infatti, mi è stato di grande aiuto aver acquisito un MBA alla McGill-HEC che poi mi ha permesso di creare la Samcon, un'impresa ben conosciuta a Montreal. A mio avviso, è primordiale assistere i nostri giovani a raggiungere il loro pieno potenziale. E un investimento necessario per lo sviluppo della nostra comunità. Un immenso grazie ai nostri generosi donatori e congratulazioni sincere ai nostri borsisti di quest'anno. Che questo nostro piccolo aiuto possa aiutarvi a sormontare le difficoltà e a prendere di petto le sfide stimolanti che vi si presenteranno in futuro.

Messaggio del Presidente di selezione

Angelo Lepore

ND Computer Resources Ltd., Vice-President

Les bourses d'études de la CIBPA sont octroyées selon des critères de sélection favorisant autant le besoin financier que l'excellence académique. En plus des bourses traditionnelles, la CIBPA offre des bourses d'études basées uniquement sur des résultats académiques exceptionnels.

Le choix des récipiendaires est fait par un comité de sélection, composé de membres et amis de la CIBPA, qui révisé les demandes de bourses. Cette année nous avons reçu plus de 140 demandes. Chaque demande a été évaluée par 2 membres du comité selon une grille de critères de sélection et les résultats vérifiés par un tiers.

The volunteers who participated in the selection process represent a cross-section of our community; professionals and business people from many walks of life, young and old, emeritus members and executives of the CIBPA. As they meticulously review each application, the members of the selection committee are invariably impressed by the quality of the candidates who apply. I would like to especially thank them for their extra efforts to complete their tasks under the conditions imposed by COVID.

Vorrei ringraziare tutti quelli che hanno partecipato in comitato di selezione per aver generosamente dedicato loro tempo a questa importante attività. La scelta di alcuni borsisti tra tanti studenti meritevoli non è compito facile. Vorrei ringraziare Christina Macedo, Vice-presidente della Fondazione CIBPA, ed i suoi collaboratori particolarmente Gemma Marchione, Claudia Mastrocola e Sabrina Micozzi per il loro lavoro a sostegno del programma di borse di studio.

Congratulations to all the bursary and scholarship recipients and to all the candidates as well. The depth of your talent, your accomplishments thus far and your potential augur well for the future of our community. You make us all very proud!

Commemorative Enzo Ferrari at his factory, Maranello, Italy. The cars are the Ferrari 250 G.T. Pinin Farina 2+2.

**Enzo Ferrari puts his soul—and Shell oil—
into every car he builds**

Ask Ferrari why he makes only two cars a day, and he will tell you that if he made any more they would not be Ferraris. Ask Ferrari why he puts his faith exclusively in Shell oil, and he will tell you, in his own words: **M**Y LOYALTY to Shell springs from my experience first as a racing driver, then as director of the Ferrari racing team, and finally as a car manufacturer. Thirteen world champion-
ships have been the result of this happy association with Shell. Ferrari has worked with Shell since 1929. Today, Shell scientists and Ferrari engineers collaborate to solve lubrication problems. And Ferrari sports and racing cars roaring to victory throughout the world are test beds for Shell Motor Oil. Ferrari has just put new Super Shell Motor Oil through a series of grueling tests. Results: He will be using Super Shell Motor Oil at Sebring, Florida, next March. **And this is where you come in:** The knowledge Shell gains on the racetrack goes into the oil Shell manufactures for your car. You may never drive a 200-mph Ferrari prototype. But you can drive your own car on new Super Shell Motor Oil—the same oil that protects Grand Prix racing cars. Ask for Super Shell Motor Oil at your next oil change.
